### **XXI. DRUG FREE WORKPLACE ACT**

Drug abuse and alcohol use at the workplace are subjects of immediate concern in our society. These problems are extremely complex and ones for which there are no easy solutions. From a safety perspective, the users of drugs and alcohol may impair the wellbeing of all employees, the public at large, and result in damage to County property. Therefore, it is the policy of Faulkner County that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in a County agency's workplace is prohibited. Any employee violating this policy will be subject to discipline up to and including termination. The specifics of this policy are as follows:

1. County agencies will not differentiate between drug users and drug pushers or sellers. Any employee who gives or in any way transfers a controlled substance to another person or sells or manufactures a controlled substance while on the job or on agency premises will be subject to discipline up to and including termination.
2. The term "controlled substance" means any drug listed in 21 U.S.C. Section 812 and other federal regulations. Generally, these are drugs which have a high potential for abuse. Such drugs include, but are not limited to: heroin, marijuana, cocaine, PCP, and "crack." They also include "legal drugs" which are not prescribed by a licensed physician.

3. Each employee is required by law to inform the agency within five (5) days after he or she is convicted for violation of any federal or state criminal drug statute where such violation occurred on the agency's premises. A conviction means a finding of guilt (including a plea of nolo contendere) or the imposition of a sentence by a judge or jury in any federal court, state court, or other court of competent jurisdiction.
4. Faulkner County must notify the U.S. government agency with which it has a grant or contract within ten (10) days after receiving notice from the employee or other notice of such a conviction.
5. If an employee is convicted of violating any criminal drug statute while in the workplace, he or she will be subject to discipline up to and including termination.

## **XXII. PUBLIC SAFETY EMPLOYEE DRUG AND ALCOHOL TESTING**

- A. Employees are subject to testing by the County to detect the presence of controlled substances, mind-altering chemicals, and alcohol in their body; including
  1. Pre-employment testing (controlled substances only)
  2. Reasonable Suspicion testing
  3. Random testing on safety personnel only
  4. Post-accident testing
  5. Return-to-duty and Follow-up testing
- B. Safety personnel subject to testing shall include only employees whose duties require them to:
  1. Maintain a commercial driver's license.
  2. Carry a firearm or otherwise perform law enforcement functions, including with or supervision of juveniles.
  3. Routinely operate an emergency vehicle (one equipped with siren and red or blue lights) in order to lawfully carry out their duties.
  4. Routinely perform repair and maintenance on heavy road equipment or vehicles.

- C. The Drug and Alcohol Testing Procedures required by the U.S. Department of Transportation (the Rules) shall be the procedures followed by the County. These procedures shall not be contrary to procedures promulgated by the Association of Arkansas Counties.
- D. Upon the County's adoption of this policy, or at the point of hiring, each County employee shall certify in writing that:
  - 1. The employee has been informed of and understands his or her obligations under the County's drug and alcohol testing policy and the drug and alcohol regulation of the U.S. Department of Transportation.
  - 2. The employee understands that the unauthorized use or possession of alcohol in any form is prohibited in the workplace, and that there are restrictions on alcohol use for a period prior, see Section XX(B)(1), to reporting for work and after an accident.
  - 3. The employee understands that the possession or use of unauthorized or illegal drugs is prohibited at any time whether in the workplace or not.
  - 4. The employee understands that, as a condition of employment, the employee must submit to a collection of breath, urine, blood, and/or saliva samples when requested by the County employer or contractor acting for the County employer. Also, an employee may be subject to drug and alcohol testing in other circumstances including, but not limited to post-accident and when the employer has reasonable suspicion to believe the employee has engaged in prohibited actions concerning controlled substances or alcohol.
- E. When used, drug and alcohol testing will be administered to the employees in the circumstances and in the manner mandated by the Rules (In Appendix B).
- F. "Reasonable suspicion" means suspicion based upon the actions, appearance, or conduct of the employee which are indicative of the use of alcohol or a controlled substance.
- G. The following shall result in immediate discharge
  - 1. Refusal to take a mandated test for drugs or alcohol.
  - 2. A positive drug test result, once the time limit for requesting a second test of a split sample has expired, or upon receipt of a positive drug test result from the second test.

- H. Employees whose initial drug test results are positive and who request a test of the second portion of the split sample will be suspended without pay until such time as the Official receives the results of the second (split sample) test. Such second test will be paid by the employer to be reimbursed to the County by the employee. The County shall withhold from the employee's paycheck the cost of the second (split sample) test to reimburse the County. A negative result from the second (split sample) drug test will render the first test invalid, and the employee will be reinstated with back pay and reimbursement for the costs of the second test.
- I. An employee suspected of unlawful use of drugs or abuse of alcohol while on duty, as established by the Rules, or who is involved in an accident as defined in 49 CFR 390.5 (and receives a citation for a moving traffic violation in this section) by the Rules, shall be suspended immediately with pay until the results of the drug or alcohol test are received by the Official.

### **XXIII. HARASSMENT POLICY**

- A. Faulkner County is committed to providing a work environment free of unlawful harassment. Faulkner County's anti-harassment policy applies to all persons involved in the operations of the County and prohibits unlawful harassment by any employee of Faulkner County including supervisors and co-workers. Unlawful harassment in any form, including verbal, physical, and visual conduct, threats, demands, and retaliation is prohibited. Unlawful harassment includes but is not limited to:
  - 1. Verbal conduct such as epithets, derogatory comments, slurs, or unwanted sexual advances, invitations, or comments.
  - 2. Visual conduct such as derogatory posters, photography, cartoons, drawings, or gestures.
  - 3. Physical conduct such as assault, unwanted touching, blocking normal movement, or interfering with work.
  - 4. Threats and demands to submit to sexual requests in order to remain employed or to avoid some other loss, and offers of job benefits in return for sexual favor.
  - 5. Retaliation for having reported or threatened to report harassment.
- B. An employee may have a claim of harassment even if he or she did not lose a job or some other economic benefit. The law prohibits any form of protected-basis harassment that impairs working ability or emotional well-being at work.

- C. Employees have a right to redress for unlawful harassment. In order to secure this right, the employee must provide a written charge to his or her supervisor, official, the County Attorney, and the Human Resource Officer as soon as possible after any incident he or she feels is prohibited harassment. The charge should include the details of the incident or incidents, the names of the individuals involved and the names of any witnesses. Supervisors will refer all harassment complaints to the County Attorney. The County Attorney will immediately undertake an effective, thorough, and objective investigation of the harassment allegations. This investigation will be completed and a determination regarding the harassment alleged will be made and communicated to the employee as soon as practical.
- D. If the County Attorney determines that unlawful harassment has occurred, Faulkner County will take effective remedial action commensurate with the severity of the offense. Appropriate action will also be taken to deter any future harassment. Whatever action is taken against the perpetrator will be made known to the victim. Faulkner County will take appropriate action to remedy any loss to the employee resulting from harassment. Faulkner County will not retaliate against the employee for filing a charge and will not knowingly permit retaliation by management employees or co-workers.
- E. Faulkner County encourages all employees to report any incidents of harassment forbidden by this policy immediately so that charges can be quickly and fairly resolved. Employees should also be aware that the United States Equal Employment Opportunity Commission (EEOC) investigates and prosecutes charges of prohibited harassment in employment. If an employee has been harassed or retaliation has been taken for resisting or charging, such employee may file a charge with the EEOC. The nearest area office of the EEOC is 820 Louisiana Street, Suite 200, Little Rock, AR, 72201, and may be reached at 1-800-669-4000. Go to [www.eeoc.gov](http://www.eeoc.gov) for information on how to file a charge. The EEOC will investigate the charge. If the charge has merit, the EEOC will attempt to resolve it. If no resolution is possible, the EEOC may prosecute the case with its own attorney before an administrative tribunal which may order the harassment stopped and can require the employer to pay monetary damages, reinstate the employee, or give other appropriate relief.

See the EEOC website at [www.eeoc.gov](http://www.eeoc.gov) for additional details.

The coverage which may be continued under this provision consists of health coverage. It does not include life insurance benefits, accidental death and dismemberment benefits, or income replacement benefits. Health coverage includes medical and prescription drug benefits as provided under the Plan.

## B. QUALIFYING EVENTS

Qualifying events are any one of the following events that would cause a covered person to lose coverage under this Plan or cause an increase in required contributions, even if such loss of coverage or increase in required contributions does not take effect immediately, and allow such person to continue coverage beyond the date described in Termination of Coverage:

1. Death of the employee.
2. The employee's termination of employment (other than termination for gross misconduct), or reduction in work hours to less than the minimum required for coverage under the Plan. This event is referred to below as an "18-Month Qualifying Event."
3. Divorce or legal separation from the employee.
4. The employee's entitlement to Medicare benefits under Title XVIII of the Social Security Act, if it results in the loss of coverage under this Plan.
5. A dependent child no longer meets the eligibility requirements of the Plan.
6. The last day of leave under the Family and Medical Leave Act of 1993, or an earlier date on which the employee informs the employer that he or she will not be returning to work.
7. The call-up of an employee reservist to active duty.
8. A covered retiree and their covered dependents whose benefits were substantially eliminated within one (1) year of the employer filing for Chapter 11 bankruptcy.

## C. NOTIFICATION REQUIREMENTS

1. When eligibility for continuation of coverage results from a spouse being divorced or legally separated from a covered employee, or a child's loss of dependent status, the employee or dependent must submit a completed Qualifying Event Notification form to the plan administrator (or its designee) within sixty (60) days of the latest of:
  2. The date of the event;
  3. The date on which coverage under this Plan is or would be lost as a result of that event; or

4. The date on which the employee or dependent is furnished with a copy of this Plan Document and Summary Plan Description.

A copy of the Qualifying Event Notification form is available from the plan administrator (or its designee). In addition, the employee or dependent may be required to promptly provide any supporting documentation as may be reasonably requested for purposes of verification. Failure to provide such notice and any requested supporting documentation will result in the person forfeiting their rights to continuation of coverage under this provision.

Within fourteen (14) days of the receipt of a properly completed Qualifying Event Notification, the plan administrator (or its designee) will notify the employee or dependent of his rights to continuation of coverage, and what process is required to elect continuation of coverage. This notice is referred to below as "Election Notice."

5. When eligibility for continuation of coverage results from any qualifying event under this Plan other than the ones described in Paragraph 1 above, the employer must notify the plan administrator (or its designee) not later than thirty (30) days after the date on which the employee or dependent loses coverage under the Plan due to the qualifying event. Within fourteen (14) days of the receipt of the notice of the qualifying event, the plan administrator (or its designee) will furnish the Election Notice to the employee or dependent.
6. In the event it is determined that an individual seeking continuation of coverage (or extension of continuation coverage) is not entitled to such coverage, the plan administrator (or its designee) will provide to such individual an explanation as to why the individual is not entitled to continuation coverage. This notice is referred to here as the "Non-Eligibility Notice." The Non-Eligibility Notice will be furnished in accordance with the same time frame as applicable to the furnishing of the Election Notice.
7. In the event an Election Notice is furnished, the eligible employee or dependent has sixty (60) days to decide whether to elect continued coverage. Each person who is described in the Election Notice and was covered under the Plan on the day before the qualifying event has the right to elect continuation of coverage on an individual basis, regardless of family enrollment. If the employee or dependent chooses to have continuation coverage, he must advise the plan administrator (or its designee) of this choice by returning to the plan administrator (or its designee) a properly completed Election Notice not later than the last day of the sixty (60) day period. If the Election Notice is mailed to the plan administrator (or its designee), it must be postmarked on or before the last day of the sixty (60) day period. This sixty (60) day period begins on the later of the following:

- a. The date coverage under the Plan would otherwise end; or
  - b. The date the person receives the Election Notice from the plan administrator (or its designee).
8. Within forty-five (45) days after the date the person notifies the plan administrator (or its designee) that he has chosen to continue coverage, the person must make the initial payment. The initial payment will be the amount needed to provide coverage from the date continued benefits begin, through the last day of the month in which the initial payment is made. Thereafter, payments for the continuation coverage are to be made monthly, and are due in advance, on the first day each month.

#### D. COST OF COVERAGE

1. The Plan requires that covered persons pay the entire costs of their continuation coverage, plus a two percent (2%) administrative fee. Except for the initial payment (see above), payments must be remitted to the plan administrator (or its designee) by or before the first day of each month during the continuation period. The payment must be remitted on a timely basis in order to maintain the coverage in force.
2. For a person originally covered as an employee or as a spouse, the cost of coverage is the amount applicable to an employee if coverage is continued for himself alone. For a person originally covered as a child and continuing coverage independent of the family unit, the cost of coverage is the amount applicable to an employee.

#### E. WHEN CONTINUATION COVERAGE BEGINS

When continuation coverage is elected and the initial payment is made within the time period required, coverage is reinstated back to the date of the loss of coverage, so that no break in coverage occurs. Coverage for dependents acquired and properly enrolled during the continuation period begins in accordance with the enrollment provisions of the Plan.

#### F. FAMILY MEMBERS ACQUIRED DURING CONTINUATION

A spouse or dependent child newly acquired during continuation coverage is eligible to be enrolled as a dependent. The standard enrollment provision of the Plan applies to enrollees during continuation coverage. A dependent acquired and enrolled after the original qualifying event, other than a child born to or placed for adoption with a covered employee during a period of COBRA continuation coverage, is not eligible for a separate continuation if a subsequent event results in the person's loss of coverage.

## G. EXTENSION OF CONTINUATION COVERAGE

1. In the event any of the following events occur during the period of continuation coverage resulting from an 18-Month Qualifying Event, it is possible for a dependent's continuation coverage to be extended:

- a. Death of the employee.
- b. Divorce or legal separation from the employee.
- c. The child's loss of dependent status.

Written notice of such event must be provided by submitting a completed Additional Extension Event Notification form to the plan administrator (or its designee) within sixty (60) days of the latest of:

- a. The date of that event;
- b. The date on which coverage under this Plan would be lost as a result of that event if the first qualifying event had not occurred; or
- c. The date on which the employee or dependent is furnished with a copy of this Plan Document and Summary Plan Description.

A copy of the Additional Extension Event Notification form is available from the plan administrator (or its designee). In addition, the dependent may be required to promptly provide any supporting documentation as may be reasonably required for purposes of verification. Failure to properly provide the Additional Extension Event Notification and any requested supporting documentation will result in the person forfeiting their rights to extend continuation coverage under this provision. In no event will any extension of continuation coverage extend beyond thirty-six (36) months from the later of the date of the first qualifying event or the date as of which continuation coverage began.

Only a person covered prior to the original qualifying event or a child born to or placed for adoption with a covered employee during a period of COBRA coverage may be eligible to continue coverage through an extension of continuation coverage as described above. Any other dependent acquired during continuation coverage is not eligible to extend continuation coverage as described above.

2. A person who loses coverage on account of an 18-Month Qualifying Event may extend the maximum period of continuation coverage from eighteen (18) months to up to twenty-nine (29) months in the event both of the following occur:

- a. That person (or another person who is entitled to continuation coverage on account of the same 18-Month Qualifying Event) is

determined by the Social Security Administration, under Title II or Title XVI of the Social Security Act, to have been disabled before the sixtieth (60<sup>th</sup>) day of continuation coverage; and

- b. The disability status, as determined by the Social Security Administration, lasts at least until the end of the initial eighteen (18) month period of continuation coverage.

The disabled person (or his representative) must submit written proof of the Social Security Administration's disability determination to the plan administrator (or its designee) within the initial eighteen (18) month period of continuation coverage and no later than sixty (60) days after the latest of:

- a. The date of the disability determination by the Social Security Administration;
- b. The date of the 18-Month Qualifying Event;
- c. The date on which the person loses (or would lose) coverage under this Plan as a result of the 18-Month Qualifying Event; or
- d. The date on which the person is furnished with a copy of this Plan Document and Summary Plan Description.

Should the disabled person fail to notify the plan administrator (or its designee) in writing within the time frame described above, the disabled person (and others entitled to disability extension on account of that person) will then be entitled to whatever period of continuation he or they would otherwise be entitled to, if any. The Plan may require that the individual pay one hundred and fifty percent (150%) of the cost of continuation coverage during the additional eleven (11) months of continuation coverage. In the event the Social Security Administration makes a final determination that the individual is no longer disabled, the individual must provide notice of that final determination no later than thirty (30) days after the later of:

- e. The date of the final determination by the Social Security Administration; or
- f. The date on which the individual is furnished with a copy of this Plan Document and Summary Plan Description.

#### H. END OF CONTINUATION

Continuation of coverage under this provision will end on the earliest of the following dates:

1. Eighteen (18) months (or twenty-nine (29) months if continuation coverage is extended due to certain disability status as described above) from the date continuation began because of an 18-Month Qualifying Event or the last day of leave under the Family and Medical Leave Act of 1993.
2. Twenty-four (24) months from the date continuation began because of the call-up to military duty.
3. Thirty-six (36) months from the date continuation began for dependents whose coverage ended because of the death of the employee, divorce or legal separation from the employee, or the child's loss of dependent status.
4. The end of the period for which contributions are paid if the covered person fails to make a payment by the date specified by the plan administrator (or its designee). In the event continuation coverage is terminated for this reason, the individual will receive a notice describing the reason for the termination of coverage, the effective date of termination, and any rights the individual may have under this Plan or under applicable law to elect an alternative group or individual coverage, such as a conversion right. This notice is referred to below as an "Early Termination Notice."
5. The date coverage under this Plan ends and the employer offers no other group health benefit plan. In the event continuation coverage is terminated for this reason, the individual will receive an Early Termination Notice.
6. The date the covered person first becomes entitled, after the date of the covered person's original election of continuation coverage, to Medicare benefits under Title XVIII of the Social Security Act. In the event continuation coverage is terminated for this reason, the individual will receive an Early Termination Notice.
7. The date the covered person first becomes covered under any other employer's group health plan after the original date of the covered person's election of continuation coverage, but only if such group health plan does not have any exclusion or limitation that affects coverage of the covered person's pre-existing condition. In the event continuation coverage is terminated for this reason, the individual will receive an Early Termination Notice.
8. For the spouse or dependent child of a covered employee who becomes entitled to Medicare prior to the spouse's or dependent's election for

continuation coverage, thirty-six (36) months from the date the covered employee becomes entitled to Medicare.

9. Retirees, and widows or widowers of retirees who died before substantial elimination of coverage within one (1) year of the employer's bankruptcy, are entitled to lifetime continuation coverage. However, if a retiree dies after substantial elimination of coverage within one (1) year of the employer's bankruptcy, the surviving spouse and dependent children may only elect an additional thirty-six (36) months of continuation coverage after the death.

#### I. SPECIAL RULES REGARDING NOTICES

1. Any notice required in connection with continuation coverage under this Plan must, at minimum, contain sufficient information so that the plan administrator (or its designee) is able to determine from such notice the employee and dependent(s) (if any), the qualifying event or disability, and the date on which the qualifying event occurred.
2. In connection with continuation coverage under this Plan, any notice required to be provided by any individual who is either the employee or a dependent with respect to the qualifying event may be provided by a representative acting on behalf of the employee or the dependent, and the provision of the notice by one individual shall satisfy any responsibility to provide notice on behalf of all related eligible individuals with respect to the qualifying event.
3. As to an Election Notice, Non-Eligibility Notice or Early Termination Notice:
  - a. A single notice addressed to both the employee and the spouse will be sufficient as to both individuals if, on the basis of the most recent information available to the Plan, the spouse resides at the same location as the employee; and
  - b. A single notice addressed to the employee or the spouse will be sufficient as to each dependent child of the employee if, on the basis of the most recent information available to the Plan, the dependent child resides at the same location as the individual to whom such notice is provided.

#### J. PRE-EXISTING CONDITIONS

In the event that a covered person becomes eligible for coverage under another employer-sponsored group health plan, and that group health plan has an applicable exclusion or limitation regarding coverage of the covered person's pre-existing condition, the covered person's continuation coverage under the Plan will not be affected by enrollment under that other group health plan. This

Plan shall be primary payer for the covered expenses that are excluded or limited under the other employer sponsored group health plan and secondary payer for all other expenses.

#### K. MILITARY MOBILIZATION

If an employee is called for active duty by the United States Armed Services (including the Coast Guard, the National Guard or the Public Health Service), the employee and the employee's dependent may continue their health coverages, pursuant to the Uniformed Services Employment and Reemployment Rights Act (USERRA).

When the leave is less than thirty-one (31) days, the employee and the employee's dependent may not be required to pay more than the employee's share, if any, applicable to that coverage. If the leave is thirty-one (31) days or longer, then the plan administrator (or its designee) may require the employee and the employee's dependent to pay no more than one hundred and two percent (102%) of the full contribution.

The maximum length of the continuation coverage required under the Uniformed Services Employment and Reemployment Rights Act (USERRA) is the lesser of:

1. Twenty-four (24) months beginning on the day that the leave commences, or
2. A period beginning on the day that the leave began and ending on the day after the employee fails to return to employment within the time allowed.

The period of continuation coverage under USERRA will be counted toward any continuation coverage period concurrently available under COBRA. Upon return from active duty, the employee and the employee's dependent will be reinstated without a waiting period, regardless of their election of COBRA continuation coverage.

#### L. PLAN CONTACT INFORMATION

Questions concerning this Plan, including any available continuation coverage, can be directed to the plan administrator (or its designee).

#### M. ADDRESS CHANGES

In order to help ensure the appropriate protection of rights and benefits under this Plan, covered persons should keep the plan administrator (or its designee) informed of any changes to their current addresses.

Employees not electing to sign up during the enrollment period will not be eligible to participate until the following plan year. Upon enrollment in the plan, an employee will automatically be re-enrolled each year unless the employee signs a cancellation form during open enrollment or no longer meets the eligibility criteria as of the first day of the plan year.

A declaration of participation and contribution shall be made on a Catastrophic Leave Bank Election Form distributed and collected by the Human Resource Office. The CLB form is due in the Human Resource Office between December 1<sup>st</sup> and January 31<sup>st</sup> each year for employees electing to participate that year. 3. CLB days may be used only upon exhaustion of all other paid leave and compensatory time. Days used from CLB are grants and do not require repayment.

Requests in excess of twenty (20) days will be reviewed monthly by the committee for re-approval of the request.
